BACKGROUND

Lafayette Elementary School, a Pre-Kindergarten through Fifth grade school, is located in Mayo, Florida, a small town in North Central Florida. It is the only public elementary school in the Lafayette School District and has a population of about 600 pupils.

THE SCHOOL DAY

The school hours are 8:00 a.m.-2:45 p.m. Students who arrive after 8:10 must go to the office for a tardy note to be admitted into class.

Children transported by parents should not be on school grounds before 7:35 a.m. They should be picked up by 3:05 p.m. There will be no supervision before/after that time.

EARLY SIGN OUTS

If you need to sign your student out early, it must be done before 2:15. After this time, students are preparing to go home and may be en route to their pick up areas.

VISITORS

All visitors must sign in, have their information submitted into the RAPTOR visitor management program and be issued a visitor's badge upon arrival at the school, after presenting a valid ID card. In the event a visitor does not have an appropriate ID, they will be required to 1) obtain a background verification letter from the Lafayette County Sheriff's Department and 2) notify the principal 3 days before the event so the principal can arrange to have a school board employee escort the visitor. The badge must be visible and returned at the conclusion of the visit.

Children under the age of 18 must be accompanied by a parent or guardian with valid identification. Unaccompanied students not enrolled in the district are prohibited from visiting LES without prior approval by the principal.

All visitors must report to the office and get a visitor's pass before visiting any area of the school. Unauthorized visitors will be asked to leave. This policy is for the safety of our students and staff. Conferences with classroom teachers must be scheduled at least one day in advance. The topic of the conference must be disclosed at the time the conference is scheduled.

LUNCHTIME VISITORS

Lafayette Elementary School welcomes and encourages parents and guardians to come and eat with their child at lunch. Your student is welcome to invite one student only to eat with them unless it is pre-arranged with the classroom teacher, or is a special occasion to be celebrated.

ENTRANCE REQUIREMENTS

State law (F.S. 232.02) requires that a child entering Kindergarten must be five (5) years of age on or before September 1st.

Children entering first grade must be six (6) years of age on or before September 1st and have satisfactorily completed Kindergarten (F.S. 232.01(1) (b) (2)).

Any student entering a Florida school for the first time must have proof of a recent Florida physical exam (within one year from the date of entry) and an up-to-date immunization record showing proof of immunizations or a valid certificate of exemption.

Students are also required to have a copy of their birth certificate on file with the school.

EMERGENCY INFORMATION

In case of emergency the school must have on file the following current information for each child:

1. Parent/Guardian names
2. Home and work addresses and telephone numbers
3. Emergency phone number and contact names
4. Doctor's name and phone number
5. Emergency Medical Authorization form completed and notarized

The school must be able to contact a parent or guardian in the event a child is injured, becomes ill or is involved in a serious situation. Those families who do not have emergency contact phone numbers on file with the school must understand that the school must take action in case of an emergency. This can include costly hospital and emergency bills for which the parents will be held responsible.

WITHDRAWING A STUDENT FROM SCHOOL

Withdrawals during the regular school year, the parent should contact the school in advance informing the school of the withdrawal of their child from school, the date of the intended withdrawal, and the reason(s) for the withdrawal.

Teachers must verify that all textbooks and classroom materials have been returned. The media specialist must check that all library books have been returned.

LUNCHES

We are pleased to inform you that Lafayette Elementary School will continue participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for the upcoming school year.

Schools that participate in the CEP are able to provide healthy breakfasts and lunches each day at no charge for ALL students enrolled in that CEP school during the school year.

ABSENCES AND EXCUSES

It is extremely important for students to come to school and be on time every day. Attendance will be checked every morning. In the event a student is absent, a phone call will be made to the student's home by the district's automated phone system advising the parent of the absence.

Excused absences include: Medical appointments, death in the family, religious holiday, or a subpoena to appear in court. Unexcused absences include: family vacations, babysitting, visiting with a relative, community based organized trips, etc.

Unexcused absences may affect a child's promotion to the next grade. If your child has been sent home from the clinic due to head lice they will only be excused for 1

calendar day. Students returning from head lice must be cleared through the clinic before they are allowed to return to class.

If your child is sick and is going to be out more than one day, you may call the school and request the work for your child. Classwork will be available 24 hours after your call. In case of serious illness or extenuating circumstances, parents are expected to contact the child's teacher.

If a student has 3 unexcused absences in a nine week period, a phone call will be made by the front office. If a student has 5 unexcused absences in a nine week period, a letter will be sent home advising the parent of the attendance policy. Parents will be contacted to come for a meeting with the principal or the Student Support Team if a student has more than 5 unexcused absences in a nine week period. Three early check outs or tardies will constitute one absence unless the student has a doctor's note.

In the event a student's absences exceed 20 days during the school year, a Student Support Team meeting will be held to discuss possible retention. These will be handled on an individual basis.

****Florida Statutes 1003.26(b) - Enforcement of school attendance** – If a student has had at least five unexcused absence, or absences for which the reason are unknown within a calendar month or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar-day period, the student's primary teacher shall report to the school principal or his or her designee that the student may be exhibiting a pattern of nonattendance.

****Florida Statutes 1003.27(b) – Court procedures and penalties.** – Each public school principal or the principal's designee shall notify the district school board of each minor student under its jurisdiction who accumulates 15 unexcused absences in a period of 90 calendar days.

WALKING STUDENTS TO CLASS

Parents with students in Kindergarten -5th grade are allowed to walk their children to class only on the first day of school. LES students who have younger LES siblings are allowed to walk each other to class for the first week of school. School personnel are on hand to assist in all other situations.

MAKE-UP WORK

One of the main responsibilities of a student is arriving at school on time. It is difficult for any student to learn unless he/she is physically present at school. Each time a student is absent, he/she really misses two days, the day missed and the day he/she comes back not having his/her homework. Students have two school days for each

day of absence to turn in missed assignments. For example, if a student is absent from school for two days and returns to school on a Monday, the make-up work is due by the fourth day which would be a Friday.

- School personnel **will not** provide students with any medications, prescription or over-the-counter.

Specific school personnel have been authorized to administer medications at school. All medications should go through the school clinic and not classroom teachers.

SUSPECTED CASES OF CHILD ABUSE

Florida Statutes require an employee of any school to report suspected acts of child abuse. Immunity from liability is provided to those that report child abuse. Reports may be made by telephone to 800-962-2873, by fax to 800-914-0004 using a fax reporting form, or by web using the link on the Department of Families and Children website at myflfamilies.com.

School personnel are prohibited from sharing confidential information and are unable to answer questions about reports that have been filed with anyone, including parents.

CHANGE OF STUDENT TRANSPORTATION

All student transportation changes are to be made prior to 2:15 p.m. to allow for adequate time for school personnel to coordinate change of transportation. If the change in transportation requires riding a school bus, the 911 address and bus number are required. Front office pick-ups will stop at 2:15 each day.

AUTOMOBILE PICK-UP AND DROP-OFF AREA

The morning drop-off area is located through the double gates and around the circle drive, not the front office. Pre-K and Kindergarten students and siblings may be picked up at the front pick-up area.

AUTOMOBILE TRAFFIC SAFETY

Lafayette Elementary School has a constant aim to educate your child in the safest environment possible. Your child is our responsibility until he/she is placed into your care at the end of the day. When entering or exiting the drop-off or pick-up areas of the school, please follow these safety rules:

1. Be patient. Rushing causes accidents.
2. Stay in a single line and do not pull around the cars in front of you
3. Drive as far forward as you can before stopping to a designated area.
4. Always stay in your car.
5. Do not allow your child to walk across the traffic lane to or from your car.
6. Do not let your child off in the middle of the parking lot. Please park in a spot and walk your child across the parking lot.
7. Students riding in vehicles must wear their seatbelts at all times.
8. Failure to comply with these safety rules can and will result in not being allowed to drive on school property.

Work Detail: Trash pickup around campus or the cleaning of the lunchroom.

School Bus Suspension: The principal has the authority to deny a student the privilege of riding a school bus based on the student's violations of the rules.

Corporal Punishment: If corporal punishment is required, it shall be administered with extreme care, tact and caution, and then only by the principal and/or designee in the presence of another professional school employee and only upon written/oral consent of the parent.

The district will not tolerate unlawful harassment of any type. Conduct that constitutes bullying, as defined herein, is prohibited. **Policy is available for your review upon request.*

MEDIA CENTER

It is the responsibility of the parent to see that all checked out Media Center materials, such as books, are returned and in good condition. Lost or damaged books will have to be paid for by the parent or guardian. Students who owe the media center money from the previous year will not be allowed to check out books until their book is paid for or returned.

BUS RULES AND REGULATIONS

School buses are provided as a privilege for the student's transportation to and from school and for various school sponsored activities. Rules and regulations are initiated with the safety of the students in mind. Students will conduct themselves in a quiet, orderly manner and remain seated at all times. Students are to leave the bus only at their assigned stops, i.e. established pickup and delivery points. A "bus information" form is to be completed by the parent or guardian for each student at the beginning of the school year to ensure the safety of each child. Some buses have seat belts. Students are required to "buckle up" when on the school bus.

Drivers shall ensure that all students assigned to their bus understand the Student Code of Conduct and Discipline Code apply to bus behavior. Bus drivers shall take appropriate action when observing a bus rule violation or behavior that could jeopardize the safety of others on the bus. This action shall be an informal warning for a minor problem, formal warning for a potential safety problem and administrative referral for repeated or more serious offenses.

FIELD TRIPS

Field trips enrich the curriculum and are taken to provide students with educational experiences outside of school. Under school district policies, students must return signed Parent Permission Forms to their teacher in order to participate in any field trip. "Verbal Permission" over the telephone is not acceptable and students will not be allowed on the field trip. Chaperones will need to provide their own transportation.

LOST AND FOUND

All found items are taken to the designated area in the cafeteria. Students and/or parents who are missing items may check in the Lost and Found. Please label all of your child's belongings. Unclaimed items will be donated to an appropriate agency several times during the school year.

DELIVERIES TO STUDENTS

***FLOWERS AND GIFTS**

No flowers, balloons, or gifts will be delivered to students during the school day. Students will be informed of deliveries and may pick them up at the end of the school day. We strongly discourage deliveries made to students at school. Notes will go home concerning elementary guidelines for Valentine deliveries.

CLASSROOM SNACKS, LUNCHES AND OTHER PERSONAL ITEMS

There will be NO INTERRUPTIONS during classroom instruction to deliver students' snacks, lunches and other personal items. These items need to be given to students prior to their arrival at school. Should an emergency situation occur, your child will pick-up these items before PE, lunch, or the end of the day (non-instructional times).

PTO, ADVISORY COUNCIL AND VOLUNTEERS

By working together, educators and parents can successfully achieve their common goal – the education of the child.

Volunteers are welcome at Lafayette Elementary. They may help in the classrooms with activities or with clerical duties by calling 294.2882. Volunteer applications are available in the office. Volunteers should always report to the main office to sign-in and receive a visitor's badge. Volunteers will not be allowed to do student record keeping on cumulative information as this is confidential information. Parents are encouraged to join the PTO and the School Advisory Council. Contact the school to receive information for meeting dates and times. A background check is required to volunteer.

A Copy of the **SCHOOL PUBLIC ACCOUNTABILITY REPORT** (ESSA) is available in the front office.

STATE SAFETY REQUIREMENTS

Our school has been inspected and is asbestos free. An asbestos management plan is available to the public for inspection in the front office.

STUDENT PROPERTY SEARCHES – The following rules shall apply to the search of school property assigned to a specific student and the seizure of items in his possession: (1) There should be reasonable cause for school authorities to believe that the student possesses an item or items which constitute a crime or rule violation. (2) A search for specific items which constitute unlawful possession or other items which would be used to interfere with orderly operation of the school. (3) General housekeeping inspection.

JURISDICTION OF THE CONDUCT CODE – This code will be in effect on school property during regular school hours as well as other places and times where teachers and school administrators have jurisdiction over students, including, but not necessarily limited to school sponsored functions, field trips, and athletic events. This code also applies to students when they are being transported on school buses. It should be noted that various state laws and School Board policies mandate certain administrative functions which are not part of this code and this code is not intended to restrict nor to deny those functions. Under all circumstances, if a student places another student or school employee in reasonable fear of harm to his/her person or damage to his/her property; has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or as the effect of substantially disrupting the orderly operation of a school the conduct code will be in effect. This includes the use of social media on or off school campus.
